Nutrition is the connection in leading a healthy and active lifestyle.

Community Healthcare Network's (CHN) nutritionists provide nutrition counseling for individuals with specific medical needs as well as those who wish to maintain optimal health.

We work as part of a multidisciplinary team to provide nutrition counseling and education as part of your overall health maintenance visit with our providers.

Nutritional services are available at no-cost for all CHN patients

NUTRITIONAL COUNSELING

We are experts in the following areas of nutrition:

- ◆ **General Health & Wellness**
- ◆ **Women's Health**
- ◆ **Men's Health**
- ◆ **Pediatrics**
- ◆ **HIV**
- ◆ **Diabetes**
- ◆ **High Blood Pressure**
- ◆ **High Cholesterol**
- ◆ **Weight Management**
- ◆ **Weight Loss Surgery**

GROUP EDUCATION

CHN nutritionists facilitate nutrition education workshops on a variety of topics, coordinate school nutrition programs, and participate in events and special projects that promote health and wellness for the communities we serve.

Popular workshop topics include:

- ◆ **Nutrition during Pregnancy**
- ◆ **Diabetes 101**
- ◆ **Nutrition and heart health**
- ◆ **Good nutrition for a stronger immune system**
